

IYSA Bucks Grant Program

On September 1, 2023, the IYSA Board of Directors approved an exciting new program for all IYSA member recreational organizations. The IYSA Bucks Grant Program is a new program which allows IYSA member recreational organizations to receive (1) IYSA Buck voucher for each unique recreational player that their organization registered to IYSA and paid IYSA for the prior soccer year. These IYSA Bucks vouchers can be used to purchase merchandise from the online [IYSA Score Store](#).

To be eligible to participate in the IYSA Bucks Grant Program, the organization must:

1. Be in good standing with IYSA.
2. Have completed its IYSA re-affiliation, registration, and payment requirements for the current soccer year.

Please keep in mind that the IYSA Bucks voucher is a fixed amount determined by the IYSA for Score designated merchandise and must be redeemed with a one-time order that must be submitted by the designated deadline, and excludes shipping, freight, special fees, special items, taxes, items not offered in the IYSA Bucks Official Store, and any and all purchases over the IYSA Bucks amount. The League is responsible for paying all Charges and purchases over the IYSA Bucks voucher amount and must place one order only for the entire IYSA Bucks voucher amount and unclaimed IYSA Bucks will not roll over.
